

Mystical Journey Within & Beyond

Friday - Sunday

November 11-13, 2011

Mary Lemons' LL Quarter Horse Farm

Albemarle, NC 28001

What power is locked deep within you?

What is beyond the door of your consciousness?

Do you dare journey within to awaken your spiritual gifts?

You are here on earth with abilities honed from other lifetimes. You may already know your spiritual gifts. You may take them for granted and not realize how powerful they are. Since 11 is a master number, what better time than 11-11-11 to recognize the master within, to heighten your awareness of your spiritual work!

Our mystical journey retreat will offer you ways of discovering and developing your spiritual gifts. You have the key to unlock many treasures deep within you. Do it now!

Throughout the weekend your mystical journey will create itself. It may evolve from visiting a past life. You may journey to a non-earth existence, an incarnation beyond earth. It may come to you in the quiet of dreamtime.

However it develops, you will have time and energy to unlock your unique spiritual gifts and to receive insight on using them in service to all creation. This will be a time of remembering who you really are . . . of recognizing your unique gift . . . of experiencing your spiritual gift. . . of perfecting it as you share with others.

Within Spirit's guidance you will receive the Master Within Attunement of Natural Reiki. This unique attunement will enhance other energy healing modalities that you already use.

You will enjoy the beauty and serenity of nature as you lodge at my home or in a cabin at a nearby state park. You will connect with my horses to discover which one wants to accompany you on your mystical journey.

Perhaps a fairy will visit you as you sit by my pond and watch moonlight dance upon the water. Or stardust may bless you from afar. Spirit will surely appear to you in different ways during your mystical journey. What a magical weekend awaits us all!

\$222 retreat cost includes lodging at either my home or a park cabin. Local motels are only five miles from my farm and are available at your expense. \$50 deposit will reserve your place at Mystical Journey Within and Beyond beginning Friday 7 p.m. 11-11-11 through Sunday 2:30 p.m. 11-13-11.
